Letter from the President ~ Eddie Morris

It is time for the April newsletter which means it is also time to start thinking about summer vacation. I have been blessed to go on many different trips all over the US and Europe. All of them are memorable.

The first vacation I remember going on with the whole family was to Texas to visit my Uncle Bob and Aunt Laura. After that we headed to Six Flags Over Texas. We even got to stay in a motel and swim in the pool. I still think of all the laughs, especially when Mom let me drive the old car on the rail track. I felt so grown up. I was only eight.

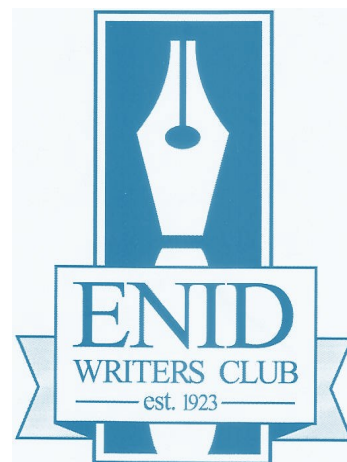

I loved the many trips I took with the A Capella choir from Seward, Nebraska. Around the US and also a five-week trip in Germany, Netherlands, Austria, and Switzerland. I really enjoyed the four-day stay in the Alps in Austria.

Now I am planning my third trip to California to decorate Rose Parade floats and watch the Rose Parade.

Anytime I get to travel, I love it! Seeing places and meeting people I have never met. A true joy for me. Also, if you go on a trip with me, you better be ready to be in the pictures I take. On the last Rose Parade trip, I took almost 400 pictures. I have them at home, if you want to come see them?

What was your favorite vacation?
